

Release of SEVIS Record for F-1 Students Transferring Out of GW

Students transferring from GW to another U.S. educational institution must complete this form. This form will allow the ISO to transfer your record in SEVIS to your new institution. Although you may apply to several schools, you must choose the school you are going to attend **before** completing this form. Once your record is released in SEVIS, we will no longer have access to make any changes, including changing the transfer school or to apply for OPT. **You must be in valid F-1 status in order to be eligible for transfer.**

Please attach the **transfer form and admission letter** from the institution you are transferring to. If you are engaged in OPT you must also attach a copy of your EAD card. It is your responsibility to ensure that you have fulfilled all admission requirements for international students at your new school to be issued an I-20.

The release date of your record in SEVIS to your new school will be the last day of final exams at GW for that semester, unless a date is specified below. Students on OPT must select a release date. After the SEVIS release date:

1. GW will no longer have access to your SEVIS record to make any changes (including changing your transfer school).
2. Your new school will be able to issue you an I-20.
3. **Any** employment based on your current GW I-20 will be terminated.

Last name:
