What is the 24-Month STEM Extension?

The Department of Homeland Security published a new final rule on OPT STEM extensions that allows for a 24-month STEM extension instead of the previous 17-month STEM extension. These recent changes were a result of the Washington Alliance of Technology Workers (“WashTech”) suing the Department of Homeland Security (DHS) over their approval of OPT and OPT STEM extensions. This new final rule is effective as of May 10, 2016.

Applications for the 17-month STEM Extension will be processed by USCIS until May 10th 2016, after this date all pending 17-month extensions will be converted into 24-month extensions and all new applications must request the 24-month STEM extension. Students currently holding an approved 17-month STEM extension may be eligible to apply for the remaining 7 months of OPT STEM.

You can find more information about the 24-month extension at https://studyinthestates.dhs.gov/stem-opt-hub

Quick Changes: 17- vs 24- month STEM including additional 7-month extension

What should I submit to the ISO, to request an updated I-20 that includes a recommendation for the OPT STEM 7- or 24-Month Extension?

All applications for OPT STEM will be submitted through the ISOGateWay. Below you will find a list of required materials that you will need to prepare in order to complete the online submission. To begin, log-on to ISOGateWay and choose the application option under F-1 Practical Training → OPT that best describes your request.
All applications processed by the ISO AFTER May 10th 2016 must be submitted through the ISOGateWay (this includes students applying for the additional 7-month STEM Extension/USCIS RFE’s and 24-month STEM Extensions).

You will need to upload the following:

- 24-Month STEM Extension Planning Tool
- Completed I-765
- Copy of most recent I-94 card front and back or printed copy from online accessible I-94
  - In May 2013, CBP began issuing digital I-94 documents, if you have a digital I-94 you must include a printed copy
- Passport & Visa (if applicable)
- Employment offer letter* including:
  - Certification that you are currently employed by the company, or that you have been offered a position at that company
  - Salary/compensation information
  - Certification that you are/will be working at least 20 hours/week
  - Brief explanation of your duties and how they relate to the STEM field in which you received your degree
  - Certification that the employer is registered with, or participates in the E-Verify program
  - Primary location of employment (address)
  - Your supervisor’s name, title, phone number, and email address
*Please note only compensated positions are allowed; no self-employment or staffing agencies are allowed. There must be a bona-fide employer-employee relationship. If you are unsure of this, please contact your HR department. Your employer must be E-Verified and must have a Federal Employer Identification Number. If you are applying for the STEM extension with multiple employers please provide additional employment offer letters for each employer.
- Paragraph explaining how employment is directly related to the major field of study
- Completed I-983 with all required signatures
  - If you are applying for the STEM extension with multiple employers please provide an additional I-983 for each employer.
  - A tutorial and instructions on how to complete the I-983 can be found at Study in the States – STEM OPT HUB
  - Questions about completing the form I-983 should be directed to the Student and Exchange Visitor Program (SEVP)
- Copy of Diploma and official transcript (if based on previous degree from another qualifying institution)*

**IMPORTANT NOTES ABOUT THE STEM EXTENSION BASED ON A PREVIOUSLY ISSUED DEGREE:**

- Your previous degree cannot have been conferred more than 10 years ago at the time of application and must have been received from a currently accredited and SEVP-certified institution
- Your previous degree is assigned a STEM eligible code found on the STEM Designated Degree Program List at the time of application
- You haven't already received a STEM OPT extension based on this previous degree
- Your practical training opportunity is directly related to the previously obtained STEM degree
- Your employer must meet the criteria listed above

To be eligible for the STEM 24-month extension based on a previous degree, you will need to provide proof of your previous degree, if that degree was not awarded by GW. This proof must include (1) Copy of transcripts from the previous STEM degree (2) letter written within the past 6-months, on letterhead, signed by the University Registrar from the school where you received your STEM degree, certifying - the degree level & major field of study, date earned and the current CIP code of the program of study (3) Written verification that you were not issued an OPT STEM extension based on the previously attained degree (4) Copy of your I-20 or DS-2019 if you had one at the time you received your previous degree (5) Copy of diploma (optional).

**WHEN SHOULD I SUBMIT MY OPT STEM EXTENSION APPLICATION TO USCIS?**

After submitting your request to the ISO via the ISOGateWay, you will receive an email notification when your new I-20 with the OPT-STEM extension recommendation is ready. Your complete application, including the updated I-20, must be received by USCIS within 60 days of I-20 issuance and before your current OPT authorization expires (see expiration date on your EAD card). For students applying for the additional 7-month extension, please refer to specific eligibility requirements for that extension.
WHAT DOCUMENTS SHOULD I SEND TO USCIS?

Your application to the U.S. Citizenship and Immigration Services (USCIS) must include the following documents:

- $380 check or money order made out to “Department of Homeland Security”
- 2 passport style photos in a clear Ziploc bag
- Completed, dated, signed in ink, original I-765
- Form G-1145 (if you would like to receive electronic notifications regarding your case)
- Original employer letter supporting the 24- or 7-month extension and verification of employment
- Official degree transcripts and a copy of diploma if available
- Copy of the most recent Form I-20, signed by ISO Advisor and student, containing the 24- or additional 7-month STEM Extension recommendation
- Copies of all previously issued I-20s
- Copy of your passport
- Copy I-94 card front and back or printed copy from online accessible I-94
  - In May 2013, CBP began issuing digital I-94 documents, if you have a digital I-94 you must include a printed copy
- Copy of F-1 visa
- Copy of your current EAD card front and back
- Copy of any previous EAD cards (if applicable)

WHERE SHOULD I MAIL MY OPT STEM EXTENSION APPLICATION?

</table>
SPECIAL EMPLOYMENT REQUIREMENTS

- Employment must be directly related to your course of study
- All employers must be E-Verify program participants
- Time spent outside the United States, if not employed by a U.S. employer, is counted towards the 150-day period of unemployment. To count as “employed” a student should be able to provide evidence, acquired from the student’s employer, to verify that he or she worked at least 20 hours per week for each employer during the period of reported employment.

SPECIAL REPORTING REQUIREMENTS FOR STUDENTS ON OPT 24-MONTH STEM EXTENSION

Please note that students on post-completion OPT who have a STEM extension are subject to all reporting requirements of students participating in post-completion OPT as well as the following special reporting requirements:

- **6-Month Validations**: All F-1 students on post-completion OPT students who have a STEM extension approved by USCIS are required to send a “validation report” to the ISO every 6 months, and it must be received by the ISO within 15 days of the 6-, 12- & 18- month mark dates. You can do this by sending an email to iso-opt@gwu.edu. Please be sure to include:
  - Your full legal name & GWID
  - Your current residential or mailing address
  - Employer name and address
    - if you are currently unemployed report *none*
  - Date you began working for current employer

- **12- and 24-Month Evaluations**: Students must submit self-evaluations to the ISO via the I-983 within 10 days of the 12th and 24th month marks of the STEM OPT extension; and/or within 10 days of the conclusion of employment with an employer, whichever comes first.

- **Updated I-983**: Students must submit an updated I-983 within 10 days of the change when there are material changes to the form I-983 including, but not limited to:
  - Any change of the employer’s Employer Identification Number, (i.e., the company’s Federal Tax ID number) resulting from a change in the employer’s ownership or structure
  - Any reduction in student compensation that is not tied to a reduction in hours worked
  - Any significant decrease in hours per week that a student engages in a STEM training opportunity
  - Changes to the employer’s commitments or student’s learning objectives as documented on the Form I-983

- **Employer Reporting**: Students who have STEM extensions must inform their OPT employers that federal regulations require the employer to notify the ISO within 5 days if employment should cease. OPT STEM employers can contact us at iso-opt@gwu.edu, our e-mail address reserved for OPT communications.

- **General Reporting**: Students are required to report to ISO within 10 days, any change in the following:
  - Legal Name
  - Residential address
  - Employer name and address
  - Change in status of current employment, including loss of employment, change of status to H-1B, transfer to another F-1 program, or change employers.

OTHER REMINDERS

- You must submit an electronic copy of your EAD card to the ISO as soon as you receive it. (Send an email to iso-opt@gwu.edu with your card attached to it).
